[§1116(c)(3)]

- In carrying out the parent and family engagement requirements of this part, local educational agencies and schools, to the extent practicable, shall provide opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports required under Section 1111 of the ESEA, as amended, in a format and, to the extent practicable, in a language such parents understand. [§1116(e)(4)]
- If the schoolwide program plan under Section 1114(b)(2) of the ESEA, as amended, is not satisfactory to the parents of participating children, submit any parent comments on the plan when the school makes the plan available to the district. [§1116(c)(5)]
- The school district will be governed by the following definition of parental involvement and expects that its Title I, Part A schools will carry out programs, activities, and procedures in accordance with this definition:
  - Parent Involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—
    - that parents play an integral role in assisting their child's learning;
    - that parents are encouraged to be actively involved in their child's education at school;
    - that parents are full partners in their child's education and are included, as appropriate, in decision making and on advisory committees to assist in the education of their child; and
